

Announcing an exciting NEW 2-DAY training using the early EMDR intervention (EEI) EMDR R-TEP and the EMDR G-TEP

October 28, 2017 8:30 AM - 4:30 PM

October 29, 2017 8:30 AM - 4:30 PM

Eligibility: EMDR clinicians who have completed Part I and Part II of Basic EMDR Training

**Location: The Meadows Outpatient Center, Scottsdale
19120 N. Pima Road, Suite 125
Scottsdale, Arizona 85255**

***Fee for TRN Member: \$249.00
Fee for Non-TRN Member: 299.00**

Trainers: Beverlee Laidlaw-Chasse and Carol Kibbee

DAY ONE

EMDR Recent Traumatic Episode Protocol (R-TEP) Workshop

A Comprehensive Approach for Early EMDR Intervention

The Recent Traumatic Episode Protocol (R-TEP) is part of a comprehensive approach to Early EMDR Intervention (EEI). This workshop incorporates and extends existing protocols within a new conceptual framework, together with additional measures for containment and safety. Checking for sub-clinical sticking points which can obstruct Adaptive Information Processing (AIP) and don't necessarily show up on the DSM radar, the R-TEP may reduce sensitization and accumulation of trauma memories. This R-TEP Workshop will be taught with video case illustrations, live demonstration and a practicum.

At the conclusion of this program, participants will be able to:

R-TEP (Day One):

- Execute an abbreviated but comprehensive S-M-S history
- Define the term Resource Connection Envelope
- Demonstrate the steps of the "Four Elements" exercise: a grounding, centering, calming resource
- Differentiate EMD vs. EMDr processing
- Describe the differences between traumatic "event" and a traumatic "episode"
- Define a Google Search, and PoD. (Point of Disturbance)

Daily Schedule:

9.00 – 10.30	Introduction; Overview; Video Case Illustrations
10.30 – 10.45	BREAK
10.45 – 12.15	Video Case (cont.); Modular Practice A (case transcript)
12.15 – 1.15	LUNCH
1.15 – 3.15	Research; Practice B
3.15 – 3.30	BREAK
3.30 – 4.30	Practice C; Summary & Conclusions

DAY TWO

EMDR Group Traumatic Episode Protocol (G-TEP)

A Group Application of the EMDR Recent-Traumatic Episode Protocol (R-TEP)

This workshop gives a brief overview of the Recent Traumatic Episode Protocol (R-TEP) and presents a new practical application: the G-TEP (Group Traumatic Episode Protocol) –with its worksheet format for simplified utilization in emergency situations. The EMDR R-TEP and G-TEP have shown beneficial results in controlled studies conducted by Turkish colleagues working with Syrian refugees. The G-TEP workshop will be taught with video illustrations and a practice, if conditions permit.

At the conclusion of this program, participants will be able to:

G-TEP (Day Two):

- Describe 3 ways to utilize G-TEP
- Lead a group of individuals through the 8 Steps of the EMDR GTEP worksheet
- Install a safe place for containment and safety and resource for stability
- Illustrate what information is shared among group members while going through GTEP
- Describe how to direct the participants' attention after each set of BLS
- Name 2 assessment tools & how to administer them to evaluate the effectiveness of this protocol

Daily Schedule:

9.00 – 10.30	Introduction; Brief Overview of EMDR R-TEP; Video Case
10.30 – 10.45	BREAK
10.45 – 12.15	Introduction to G-TEP; Why?; The Challenge of group EMDR; Applying R-TEP Setup; Worksheet structure overview; the 8 STEPS; Practice A procedures with worksheet: STEP 1; Practice A procedures with worksheet: STEPS 2-6
12.15 – 1.15	LUNCH
1.15 – 3.15	Practice B role play in pairs
3.15 – 3.30	BREAK
3.30 – 4.30	Research; Summary & Conclusions

Approved for 12 EMDRIA Credits (included in price of registration)

If you are a TRN member, please contact Elaine Howard at ehoward@emdrhap.org BEFORE registering for this Workshop in order to get a code to register for the discounted price (\$249).

If you are interested in becoming a TRN member, please contact Don DeGraffenried at ddegraff@emdrhap.org BEFORE registering for this event.

If you are NOT a TRN member or are NOT interested in becoming a TRN member, please continue to register for this event.

Register online at Trauma Recovery/HAP's website: <http://www.emdrhap.org/training/toregister/listEvents.php>

All cancellations must be in writing to Trauma Recovery/HAP, by email, fax or letter. Cancellation 14 business days prior to event start date will receive a refund of basic training fee, less a \$45 administrative fee. Cancellation between the 14th and the 4th business day prior to event start date will receive a 50% refund of basic training fee. These are contingent upon receipt of a written cancellation with a timely postmark, via letter, email (training@emdrhap.org), or FAX 203-288-4060. There is no refund for cancellations within 72 hours (3 days) of the event's advertised start date. Grievances are only accepted in writing and will be handled within ten business days. For ADA assistance, please contact the Trauma Recovery/HAP office. All grievances must be in writing to training@emdrhap.org, and will be replied to within 5 - 10 business days.

12.0 Continuing Education Credits available for psychologists:

The Meadows is approved by the American Psychological Association to sponsor continuing education for psychologists. The Meadows maintains responsibility for this program and its content. Course meets criteria for 12.0 hours of continuing education credit hours for psychologists.

Other License professionals should contact their regulatory board to determine course approval

You must be pre-registered to receive CEU's (12 CEU's earned for full two day training).

No partial credit will be offered.
