PSYCHOLOGICAL FIRST AID & DISASTER MENTAL HEALTH

**Grand Canyon Chapter of The Arizona Red Cross,
Arizona Trauma Recovery Network (AZTRN) and
Argosy University present:**

AZTRN volunteers have an extraordinary learning opportunity! Please join us as Stephanie Vitanza Ph.D., teaches two important basic level courses. They will provide participants a framework for dealing with stress responses in disaster relief work, and learn to make the transition from day-to-day mental health services to delivering mental health services during a disaster. There is **NO** charge for this amazing training opportunity. Sign up today!
